*Chamber of Commerce*

*Chartered in 1995*

Dear Upper Rogue Business Owners and Managers;

On behalf of the Eagle Point Upper Rogue Chamber of Commerce I would like to invite you to become a member of the largest business organization in the Upper Rogue area. Founded in 1995, our Chamber is the oldest business organization in the Upper Rogue and in 2009 we added Upper Rogue to our name to better accommodate the businesses of northeastern Jackson County.

Our member businesses come from White City, Shady Cove, Prospect, Butte Falls, Sams Valley, Eagle Point and all points in between. Working with our members, the Chamber's goal has been to promote the great products to be found in our own neighborhoods while also highlighting the Upper Rogue region throughout Southern Oregon.

We are in challenging economic times and know business owner's resources are limited. For a relatively small investment, you can become a member of our growing business association and benefit from the strong partnership we can offer. In addition, you will become connected with other businesses in the Upper Rogue and be a part of our efforts of building strong community networks.

The Eagle Point Upper Rogue Chamber of Commerce holds regular membership meetings on the first Monday of each month at 12:00 pm in the Eagle Point Ashpole Community Center. Please consider being our guest, meet other members and see how we can add to your business's success.

Feel free to contact us with any questions you may have. We look forward to seeing you at our meetings.

Sincerely,

Richard Gyuro  
Chamber President

### *The Benefits of Joining the Eagle Point & Upper Rogue Chamber of Commerce*

**General Meeting:** The Chamber general meeting is a lunch gathering from 12n to 1p the first Monday of the month. The meeting generally takes place at Ashpole in downtown Eagle Point, but does travel to host businesses from time to time.

**Home Office:** With the advancements in technology and communication it makes perfect sense. While the ability to successfully communicate and do business on-line is there, nothing really replaces the occasional face to face networking that can take place with chamber members at a chamber meeting.

**Ribbon Cuttings:** This is a great opportunity to gain exposure. An opportunity to show off your new business to chamber members as well as the public, and let's face it nothing ads to a grand opening like a ribbon cutting. Let our team help you with your grand opening, publicizing it to our members and the community.

### *What's in it for you.*

**Website:** The Eagle Point Upper Rogue Chamber uses WordPress technology for their website. Wordpress gives the Chamber the versatility to make changes and updates on a dime. It has a friendly navigation system that allows visitors to easily surf from page to page. We invite you to surf through the different communities, categories, members tab and the events tab. The event's tab is a community orientated, is open to any and all groups and businesses to submit their upcoming events.

**Facebook:** It's where your customers are so it's where the chamber is. The Eagle Point Upper Rogue Chamber has a Facebook page titled Eagle Point Upper Rogue Community. We spotlight a chamber business once a week calling attention to their business and what they do in the community.

**Advertising Opportunities:** For just \$200 a year your business can be a part of the 'Hub' of the Eagle Point Upper Rogue Chamber, our website. Be a part of the Newsletter and advertise for as little as \$15 a month.

**New Feature:** In 2013 we'll be selecting 4 businesses a month that will have the opportunity to write about what is going on in their industry. This 300 to 500 word article will be published on the website, Facebook, and Newsletter.

**Host A Meeting:** As a member of the Chamber it is possible to host a general meeting for lunch or a quarterly after hours event. Check with the Executive Board for availability. This is a GREAT opportunity to showcase your business to the general membership.
