## A Message From Our President

The Eagle Point Chamber of Commerce has increased membership and activities dramatically in the past two years. The Chamber now has a very nice newsletter published monthly. A new web site was created and supports itself, the phone expenses, and provides some of the income for Chamber activities. A quarterly Greeters Bag is distributed to 500 or more residents. We now have a direct phone line answered by real people that have an extensive knowledge of the Upper Rogue Valley.

The Chamber has teamed up with the City of Eagle Point to have a location at the Harnish Wayside where people traveling through the area could gather information about activities, places to visit, hotels, and businesses for shopping and dining. The Flag committee continues to add more flags and events to honor the Veterans that serve our country. The Chamber has added additional committees needed to facilitate the growing activities and community involvement of the organization:

Ambassadors – grand openings and ribbon cutting ceremonies for events  
Program – involvement in activities and events for youths

Budget – make recommendations for spending and budgeting for each year's expenses and activities based on income of the organization

The object of the Eagle Point Chamber of Commerce shall be: to assist, promote, support and attract business to
