Chamber office at your service

The Eagle Point/Upper Rogue Chamber of Commerce office is located at the Upper Rogue Independent, 11136 Hwy. 62 (Ray's Shopping Center.)

Note the rack we have for your brochures and rack cards. These are available for anyone who stops in wanting information and, in some cases, items may be mailed to people inquiring about services and businesses in the area.

This rack card is not the same one purchased by the Chamber earlier. That one (actually those two) did not prove very functional for our purposes and are probably available for purchase.

Bob Russell found this rack at a recent auction and donated it to the Chamber. Kathy Sell and Jenny Zomerdyk (Independent staff members) filled it with information currently available and with the use of wire cutters and a file changed some card-size slots to a size that will hold fliers and booklets.

Pretty clever and we thank Bob, Kathy and Jenny for their assistance.

We do encourage you to bring us your information so we can share it. It is free publicity for your business.

Also remember we have the static window clings for your storefront at the office, please come by and pick yours up if you haven't already.

Right: Our new rack located inside the Upper Rogue Independent has plenty of room for more brochures. Bring yours in today so we can get them into the hands of potential customers.

Chamber urged to support EPCA Dessert Auction

The Eagle Point Community Association probably has the smallest number of dedicated people of any local group, yet puts on the biggest events in Eagle Point. Their meetings often number no more than 5-7 members. Hard to believe when you see what they do throughout the year. They know how to get support when it is needed and they know the meaning of partnership.

Their next event is the annual Exotic Dessert Auction. It takes place Mar. 13 at 7 p.m. at EPHS cafeteria.

If you've never attended, you've missed out of fun-filled, different sort of event. While they do auction off delicious desserts, it is the things that accompany the desserts that make this event unique.

When one bids for Edith Sherman's cream puffs you might also be receiving a cord of wood, or a very nice piece of art work. With each baked item comes a

special donation. It is a fun evening for sure.

Each year the association partners with a group and for the last couple of years they have been partners with the Eagle Point High School Booster's Club. Their members solicit donations and help with the event and in return share in the proceeds.

Sponsorship of a table is available for just \$50.

Your attendance and bidding at this event help the Community Association with events such as the Easter Egg Hunt (for several hundred), 4th of July (for multi thousand) and Christmas Around Town, the decorations, and Santa (for several hundred.)

To donate an item, contact Tyron or Tracy Boykin at 541-261-2800 or for more information, contact Bunny Lincoln at 944-2446

Cool Club seeks sports items for upcoming benefit sale

The teen Cool Club in Shady Cove still needs \$12,000 to become an official Boys & Girls Club. They will be putting on an Outdoor Sporting Goods Sale on Saturday, Apr. 17, from 10-4 p.m. in the Shady Cove Middle School gym.

They are looking for donations of good, useable sporting goods items—everything from boats to camping equipment and fishing gear, bicycles, just anything that will fit the outdoor sporting goods definition. And, then of course, they need our support the day of the sale to make purchases.

If you have items to donate, call Carrie Beebe at 541-291-0061. She is almost always at our Chamber meeting so you might be able to talk with her then. This club is one of those really worthwhile projects. Cash donations are more than welcome.

Member recognition

Mary Gunderlock, Rivertech Computer Services, was one of three individuals to receive the Citizen of the Year Award in Shady Cove. This prestigious recognition was for her extensive volunteer work in the community. Mary co-chaired the efforts to bring the Spam Festival back to Shady Cove, is a member of Fire District 4 Volunteer Support Group, and consistently seeks new ways to improve quality of life in Shady Cove.

Highlights of February Board meeting

The board of directors met on Tuesday, Feb. 16 at 7 a.m. Following are highlights of the meeting:

- A banner can be hung over Hwy. 62 in White City and in Shady Cove. Signs Now gave the board a price for a banner that could be either one sided-or two-sided. It would say Eagle Point/Upper Rogue Chamber of Commerce 2nd Saturday White City, Eagle Point, Shady Cove, Butte Falls, Prospect. Cost would be \$525 ea. For two-sided or \$300 ea. for single sided. No decision was made pending securing someone to place the banners and to determine if that would be a free service or cost. Banners would come up and down each month, preferably one week before the event and immediately after the event.

- Bob Russell discussed need for more help with basket project. The price will be same, \$300 per basket for May 1- Oct. 1 season. He expressed needs for fliers for the yard sale and for 2nd Saturday events as well as a flyer for 2nd Saturday. Kathy at Independent will assist with that project.

- Russell also suggested several had approached him about a Peddlers Fair as part of the June 12 2nd Saturday. A committee was meeting with Dave Hussell, Eagle Point city administrator.

- Signs Now will host the March meeting and the luncheon sounds like something fantastic.

- Bob Russell and Bob Pinnell each offered to make five phone calls to obtain advertising for the newsletter and/or the website.

Search and Rescue Safety Awareness Day

The 4th Annual Safety Awareness Day sponsored by the Volunteers of Jackson County Search and Rescue, South Valley Bank & Trust, Upper Rogue Independent, The Butcher Shop and Walmart will be held on Saturday, March 6, from 10 a.m. to 2p.m. in the Eagle Point Walmart parking lot.

The event is designed to educate the public on how to be safe and well prepared when recreating outdoors, especially in adverse weather conditions. Search and Rescue Volunteers will be there with helicopters, snow cats, ATVs, K-9, mounted and other rescue units and other outdoor recreation organizations. Hot dogs and chili will be offered for donations. Drawings will held for fun prizes. All donations will benefit Search and Rescue volunteers.
